ARP—The Ark & Study

Science

A range of practical and kinaesthetic activities to develop the children's knowledge and understanding of the world with particular focus on:

- Animals including humans -healthy eating, body, senses
- Seasons

We hope you had an enjoyable Summer holiday.

This term the children will go on local walks to develop their Geography skills and to become more aware of the surrounding environment. The children will also be taking part in many Stunning Starts and Fabulous

Please make sure that your child's uniform and PE kit is named and that the PE kit is in school as the children have PE several times a week.

We provide fruit for snacks but some of the children like to eat a small snack from home. Please ensure that you provide a small healthy snack as we are a Healthy Eating School, so please do not send in crisps, biscuits or chocolate-based snacks.

Please remember to send in a pot for the Ark children to bring home their cookery creations. Cooking for the Ark is on a Tuesday and the Study is on a Friday.

Please use the Communication Books (Ark) and Homework Diaries (Study) to

As the ARP children may spend some of their day in their mainstream classes, please refer to the relevant topic web for their Year
