

Personal, Social and Emotional Development

Expressing and communicating feelings
Show sensitivity towards others
Ask if they need help
Adjust their behaviour to different situations

Language and Communication

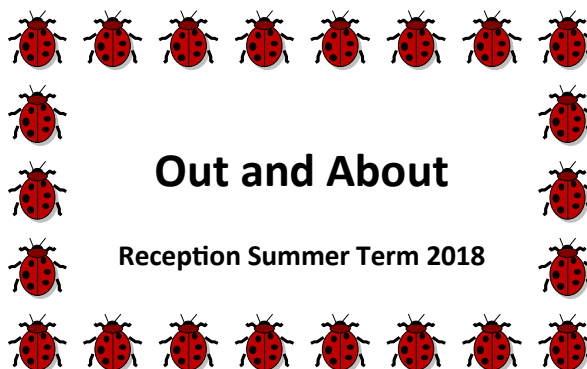

Listen attentively in group situations
Ask questions about mini beasts and growth
Listen and respond to other's ideas
Talk about fiction and non fiction books
Use talk to clarify thinking

Physical Development

Catching and throwing balls
Relay races
Moving with control when using large equipment
Form letters and numbers correctly
Understand practices that contribute to good health—cooking vegetable soup

Literacy

Segment and blends sounds in words—labelling mini beasts
Read and understand simple sentences—facts about bugs and their habitats
Use phonic knowledge when writing independently— Recount of trips

Out and About

Reception Summer Term 2018

Mathematics

Count, recognise, order and write numbers to 20
Order numbers to 20 saying which is one more and one less—make a game
Add and subtract two single digit numbers
Halving and doubling—ladybirds spots
Name and know some properties of 2D and 3D shapes

Understanding the World

Know some similarities and differences between different cultures and families
Observe and talk about change—melting butter, growing seeds, similarities and differences between different mini beasts
Completes a simple program on the computer

Expressive Arts and Design

Sing songs, make music and dance—creepy crawly assembly
Construct models with a purpose in mind
Mix paints and materials—make pebble ladybirds, paper mache bugs, observational drawing of wildlife area
Introduce a narrative into their role play

Exciting opportunities to support the children's learning:

Trip to Wimbledon common
Visit from mini beast man
Trip to Bocketts Farm
Perform an Creepy Crawly Concert for the parents
