L.I: To write a poem following
a modelled style.

What can you do
with a princess doll?
Well...

You can play with it

You can cuddle it

You can love it as much as

you can

You can touch it

You can throw it

You can feel it with your

hands

You can dress it

You can talk to it

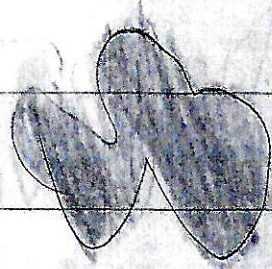

You can brush its hair

with a hairbrush

You can feed it

You can wash it

You can hold it just like the

★ poem

★ verbs

a prize for you
