They will also be consulted on health and safety matters affecting all staff. They are also entitled to certain information, e.g. about incidents and to paid time off to train for and carry out their health and safety functions. However, they are not part of the management structure and do not carry out duties on behalf of the Head teacher or Governing Body.

Part 3: Arrangements and Procedures

This details the operational arrangements in place at **Wimbledon Chase Primary School** to ensure the health, safety and welfare of employees or anybody else who may come onto site e.g. pupils, students, staff, visitors, contractors etc.

It describes how **Wimbledon Chase Primary School** will meet the standards set out in the Part 1 Statement of Intent and details procedures and arrangements for controlling the risks involved in a range of site/section activities.

The Arrangements relevant to **Wimbledon Chase Primary School** are listed in the Table of Arrangements below. The table is split into two parts. The first part lists mandatory health and safety arrangements that **ALL** sites/section **MUST** have in place.

The second part lists the local operational health and safety arrangements specific to the particular area of work carried out at **Wimbledon Chase Primary School**. The tables contain the following columns.
