

LI To describe our visit to the Unicorn Theatre

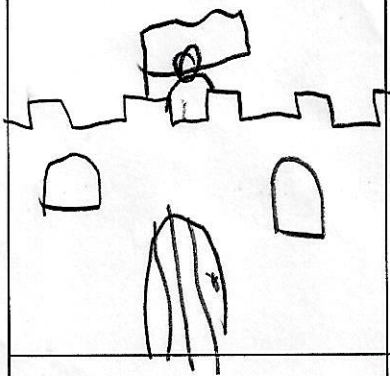

This morning year 4 went to unicorn theatre looking the Icarus and Daedalus. First we went on the train.

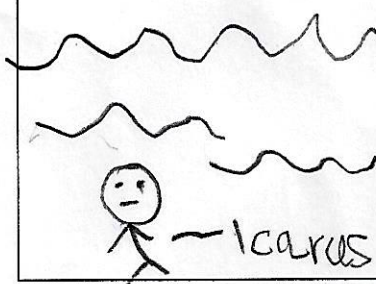

Next we walked up steps to theatre. theatre was noisy and dark and bigger than the school hall.

<sup>we</sup> watched the play Icarus and Daedalus. Icarus was very funny. Make a funny faces.

King Minos put the Daedalus and Icarus in the tower. Icarus was sad because he went to going home.

Finally Daedalus made four wings. Daedalus said don't fly high! But Icarus was not listening.

At the end we clapped because it was good and fantastic.

What a lovely visit!

A great piece of writing too. Well done.
