Acting Headteacher: Mr. K. Ellis B.Ed.(Hons.), M.A. (Education)

10th May 2019

Dear Parents,

A short week so a short newsletter!

TRIATHLON REMINDER

Please keep bringing in your sponsor money.

Money has been coming in [thank you] but we are sure that there is more to come. Thanks for all your help with this

THE BIG BATTERY HUNT

Thank you for all your donations. Please keep sending the batteries in.

The girls were challenged to design a method for a lighthouse keeper to get back to land from the lighthouse.

They needed to include a pod of some sort that would transfer an egg (the lighthouse keeper!) safely without cracking, an electric circuit, the use of a motor, a light, a buzzer, the use of a zip wire and a way of getting the pod back up to the lighthouse. They worked really well together as a team. They presented their design to the other teams and judges. The group did really well and should be very proud of themselves.

ENGINEERING EVENT

Six Year 5 girls were selected to take part in a science and engineering challenge at Wimbledon High School this week.

STAR WRITERS OF THE WEEK

This week's Star Writers are Isla from Robins , Ernest from 1A, and Lorenzo from 6A for terrific writing.

You can read their stories through this link:
<https://www.wimbledonchaseschool.co.uk/category/star-writer-of-the-week/>

SUCCESS STORIES

RUGBY

As you know many of the children at Wimbledon Chase are members of local sports teams. Last weekend, Old Ruts met with other rugby clubs at Burnham-on-Sea rugby festival. Faustas from 4A and Thomas from 4B were instrumental in collaborated teamwork winning all nine games. In addition, the Under 9 team were awarded the 'Most Respectful' title!

Teddy, Max and Benas from 2A received a Sponsorship award in the Under 7 group

ICE SKATING

Ernest (1A) has been doing ice skating classes for about 10 months and recently passed the NISA (National Ice Skating Association) Level 5 assessment. This came very quickly after he passed the Level 4 assessment which only took him 2 or 3 weeks to master.

EGG HATCHING IN RECEPTION

The Reception children are waiting in anticipation for their first chick to hatch. By the middle of next week we hope to have some new chicks for the children to observe and look after.

CYCLING COURSES

Merton council are running FREE cycle training sessions for children of all abilities during the upcoming May half term.

FINALLY

We would like to wish all our Year 6 children the best of luck with their KS2 SATS. The children have worked really hard and we know they will make us proud.

Have a good weekend.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'K. Ellis'.

K. ELLIS

Acting Headteacher
