20th March 2020

Dear Parents,

It's with great sadness that following national guidelines Wimbledon Chase Primary School has now closed until further notice.

A number of letters have been sent out today including critical and essential emergency care for Covid-19 key-workers and vulnerable children. You should have all received information about the Virtual School Classrooms and how to log onto these. You have also been sent a copy of the letter shared with children who attended school today. If your child has been unable to attend school please do share this with them.

While we work through our business continuity plan there may be unforeseen challenges ahead. Remote learning is going to look very different and the teachers will do all they can to support your child/ren to ensure they still feel very much part of our school community.

The school will be run on a skeleton staff solely to support front line key workers; I would therefore request that for the next few weeks you do not contact the school office unless it is an emergency.

I will write to you weekly and hopefully in the near future, as remote working becomes more established, we will move to more visual and open communication. I'd like to send you my heartfelt thanks both to the staff at WCPS for their continued hard work and to you for all your support.

We are going to miss your children greatly, but as a Wimbledon Chase community I know that we will face the many challenges ahead together. I wish you and your families the best of health over the coming months.

Kindest regards

Jill
