Dear Parents

I hope that your week is going well.

Please find the **Remote Learning Continuity Plan for Parents** on the link below:

<https://www.wimbledonchaseschool.co.uk/wp-content/uploads/2020/09/Remote-Learning-Continuity-Plan-for-Parents-Pupils.docx.pdf>

This is a working document that will be regularly reviewed and updated, but it will give you some general information for what will happen in the event that a class, a year group or more, need to self isolate. We will continue to work with the DfE and LB Merton to ensure we follow the latest guidance for Educational settings.

The Frequently Asked Questions [FAQs] have recently been updated and are available on the school website <https://www.wimbledonchaseschool.co.uk/news-events/protective-measures/>. Also in this section of the school website you will see the latest procedures that schools should follow in the event a member of staff or young person testing positive [LB Merton flowcharts]. These procedures and guidance, along with guidance from the DfE/PHE are being currently practised at school in preparation for **if** there was a possible positive confirmed case or outbreak.

Highlights this week have included The Evacuation Day for Year 5. Thank you so much to the Year 5 parents for your efforts. The children, and staff looked amazing!

Two wonderful pupils in Year 6 spent time at break and at home to make their own dictionary of school phrases in Portuguese to help them communicate with a new pupil to WCPS from Brazil. Acts of kindness deserve to be

shared. I see many acts of kindness on a daily basis at school and it always makes me incredibly proud.

Kindest regards

Jill Augustin
