29 September 2020

Dear Parents,

Last week we shared our [Remote Learning Continuity Plan](#) for parents with you in the event that a pupil, class, a year group or more, need to self-isolate.

We require parental permission for your child/ren to take part in 'live' lessons should remote lessons be required, therefore please complete the **Parental Consent** section via the school SIMS Parent app.

It is important to note that without the agreement, pupils will not be able to participate in live remote lessons.

To give permission, please

- access the app
- click on your child's name
- click on Data Collection
- click on Parental Consent
- scroll until you see *Participate in Remote Learning Continuity Plan* and click to give your permission
- **SAVE** and submit the changes..

We would also appreciate it if you could complete a quick survey regarding your access to technology at home. <https://forms.gle/yMLGh9y2wRS7t5xw7>

The closing date for submitting the permission and the survey is this **Friday 2nd October**.

Kind regards

Keith Ellis
Deputy Headteacher

Transforming lives through education, aspiration and inspiration
