

## Year 4 Newsletter Autumn 1

Dear Parents,

Dear Parents,

Firstly, let us introduce ourselves: Mrs Dumont, class teacher of 4A; Miss Ringrow, class teacher of 4B and Mr Lowe, class teacher of 4C. We are delighted to have met our new classes and have been impressed at how quickly they have settled into the routines of Year 4. They are smartly dressed and organised, so thank you for your part in this!

Thank you to those who were able to attend our Meet the Teacher session - it was lovely to welcome parents into the school hall once again. The presentation will be available on the website by Friday 10th September and parents are welcome to email or telephone if they have any further queries following this.

Below is a little more academic detail for the next half term.

Welcome to the new school year, Phase 3 at Wimbledon Chase and to the school if your child is new.

PSHE	Recognising and acknowledging our feelings Teamwork Concentration Skills

## **Homework**

This term we will be using a combination of worksheets and online platforms to set homework. This will roll out in the next two weeks.

We will check the homework diaries every Monday and ask that you sign at the bottom of the page by the start of each week.

Please record any books that your child is reading at home in the homework diary on the left hand page. At least three comments per week are expected. Whilst children are encouraged to be responsible for this and write comments, please do assist with this and sign. Daily reading is of course ideal.

## **Equipment for lessons**

Please ensure that your child is fully equipped each day for school, including bringing in a handwriting pen and spare ink, a pencil, glue stick, purple biro, pair of school scissors and labelled PE kit.

## **Water bottles, tissues and hand gel**

Please ensure that your child has their filled water bottle in school every day. This is especially important as the water fountains are unable to be used at the present time. We would welcome any donations of tissues or hand gel.

## **Painshill Park**

Please keep a look out for information regarding this trip. We look forward to carrying out orienteering and team building tasks with our classes this half term.

## **Snacks**

Please remember that your child should have a healthy snack for breaktime with **no nuts** please.

## **Wet Play Equipment**

If you have any good quality games or activities that you no longer need at home, we would be very pleased to accept them for our wet play stock. Children enjoy playing board and card games during wet playtimes.

In addition, if you have any unwanted fiction books that could be used in our book corners, please feel free to donate them and they will be gratefully received.

## **Parent Consultations**

We will be holding our IESP and Parent Consultations later this half-term. You will receive more information on dates and how to book your appointments in due course. Please do call in for a telephone appointment or write a note if you would like to speak to any of us in the meantime.

Thank you for all the support and encouragement you give to your child. We hope that all this information enables you to continue to be involved in their learning. If you have any queries please do not hesitate to contact us.

Kind regards,

Mrs Dumont, Miss Ringrow and Mr Lowe
