WCPS Eco Code

Waste is not great, so use things again,

Collect used paper and recycle whiteboard pens,

Protect school wildlife with bug hotels and bird feeders,

Scoot, bike or walk to school, *Beat the Street* Leaders!

Energy should be saved, so please don't waste,

Carbon needs reducing, so cut it today,

Oxygen must be made, so trees and plants must stay,

Cut your carbon, you know you can,

Open your windows, don't use the fan.

Deforestation is not good, don't cut trees in this hood,

Eco code shared with all, for the greater good.
