Equality Information and Objectives

2023 - 2027

At Wimbledon Chase Primary School, policies are designed to ensure that the child is at the centre of all our decision-making. All staff are aware that whole school and class systems are established to ensure that every child is able to share and express their concerns in a safe and confidential manner. We constantly strive to ensure that all children know their worries and views will be taken seriously by all staff and that every child will be treated with respect.

1. School Statement on Equality

Our school is committed to equality as both an employer and a service provider:

- We try to ensure that everyone is treated fairly and with respect.
- We want to make sure that our school is a safe, secure and stimulating place for children and staff.
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them all exactly the same.
- We recognise that for some pupils, extra support is needed to help them to achieve and be successful.
- We try to make sure that people from different groups are consulted and involved in our decisions, for example through talking to pupils and parents, and through our School Council, our Equal, Different, Included team, our Rights Respecting School team, our Eco team, our House Ambassadors, our Food Forum team and our Wellbeing team.
- We aim to make sure that no-one experiences harassment, less favourable treatment or
 discrimination because of their age; any disability they may have; their ethnicity, colour or
 national origin; their gender; their gender identity or reassignment; their marital or civil
 partnership status; being pregnant or having recently had a baby; their religion or beliefs;
 their sexual identity and orientation.

2. Aims

We welcome our general duty under the Equality Act 2010 to;

- Eliminate **unlawful discrimination**, **harassment**, **victimisation** and any other conduct prohibited by the Equality Act 201
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations between people who share a protected characteristic and people who do not share it.

We also welcome our specific duties to publish information every year about our school population; to explain how we have due regard for equality; and to publish equality objectives

which show how we plan to tackle particular inequalities and reduce or remove them.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

3. Eliminating discrimination

- We are aware of the requirements of the Equality Act 2010 that it is unlawful to discriminate, treat some people less fairly or put them at a disadvantage.
- The school has a designated member of staff for monitoring equality issues, and an equality link governor. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.
- We deal promptly and effectively with all incidents and complaints of bullying and harassment that may include cyber-bullying and prejudice-based bullying related to disability or special educational need, ethnicity and race, gender, gender reassignment, pregnancy or maternity, religion and belief and sexual orientation. We keep a record of all such incidents and notify those affected of what action we have taken. We provide training to all staff in relation to dealing with bullying and harassment incidents.
- We have a Special Educational Needs Policy that outlines the provision the school makes for pupils with special educational needs.
- We have an Accessibility Plan that supports all members of our school community to reach their potential through full access to all areas of school life.
- Our admission arrangements are those set out by the LA, giving priority to pupils with special educational needs and those in care.
- Our complaints procedure sets out how we deal with any complaints relating to the school.
 We have procedures for addressing staff discipline, conduct and grievances.
- We have a Staff Code of Conduct Policy that states clearly that discrimination or prejudice of any kind will not be tolerated.
- We monitor the attainment and progress of all our pupils by protected characteristics.
