3rd September 2026

Dear families,

Re: Pupil Premium and Early Years Pupil Premium — please complete by 23rd September

I'm writing to ask for your support to make sure every pupil who is eligible for Pupil Premium (PP) or Early Years Pupil Premium (EYPP) is registered. These funds directly support children—helping with uniform, school trips and extra learning resources.

The guidance from the Department for Education (DfE) was revised in last term, requiring all families to submit new applications for the new academic year.

What to do

Please complete the Pupil Premium online form, accessible via the* Pupil Premium School Webiste Page by 23rd September. For ease of completion, paper copies will also be available in the school office; if you could download and return completed online forms to admissions@wimbledonchase.merton.sch.uk or paper forms to the school office, we would be very grateful.

Why this matters

When a pupil is registered for PP or EYPP, the school receives additional funding ring-fenced to support that child. That might mean financial support with uniform or trips, targeted resources, or specific interventions to close gaps and boost progress. In short, registration unlocks practical support that helps every pupil take part fully in school life.

If your child has been registered before

Even if your child was previously registered, you must reapply to secure continued funding; past registration does not guarantee current eligibility.

Support with the completion of the form

If you have any questions or would like support completing the form, please come to the school office and a member of the team will happily assist you—whether that's with the online submission or completing paper form.

Thank you for taking the time to complete this important registration—your prompt action helps us secure resources that make a real difference to children's day-to-day school experience.

Kindest regards

Mrs. C. Gibbins
Headteacher
