19th October 2026

Dear Families,

Re: ARP INSET Day – Monday 17th May 2027

I am writing to inform you that there will be an additional INSET day for all Additionally Resourced Provisions (ARPs) across the local authority on Monday 17th May 2027.
As a result, children will not be required to attend school on this day.

We appreciate that an additional day of school closure may require some families to make alternative arrangements for childcare. We hope that providing this advance notice will allow sufficient time for any arrangements that may be needed.

Thank you for your understanding and continued support.

Kindest regards

Caroline Gibbins
Headteacher
